We will have recall lists available at drop off, as well. **Kidz Klozet will remove any item from the floor they find that has been recalled and dispose of the item properly. ## Extra Incentives

### Congratulations to our 20 Fall Winners!

We will be randomly drawing 20 more winners this sale!!

## Tagging Instructions

Begin writing 2 inches below safety pin

You may download our tag template at [www.mykidzklozet.com](http://www.mykidzklozet.com) or use a 3 x 5 index card. Cut the template down to 3 x 5 size. Please print template on 65 lb. cardstock paper.

Do not use Post It 3x5 as they stick to other cards at register (room for error). Do not use regular paper as it tears too easily and may be lost.

Leave at least 2 inches between the safety pin and where the writing begins so we may tear the tag off during check out.

Items with LARGE RED DOTS next to the price will NOT BE SOLD AT HALF PRICE on Saturday. Small, other colored dots, and dots in wrong place could be sold at half off by error.

Price in \$.50 increments (.50, 1.00, 1.50, etc.) Put price in the bottom right hand corner as well as above the cut line so a price will still be present after tearing off the tag.

All clothing must be on hangers and facing to the left as shown above. You may use pant hangers for pants, or as illustrated above.

SAFETY PIN the card to the right hand side of the garment when looking at the front. NO STRAIGHT PINS ALLOWED BECAUSE OF LIABILITY ISSUES!!

When sizing your items, S,M,L,XL is only acceptable for MATERNITY. **Due to limited space, we will only accept 10 hanging Maternity clothes per consignor.**

All children's clothes must have specific sizes 12 month, 2t, 5 etc. **not Small/Med/Large.** This slows down our volunteers and is not guaranteed to be put in correct size.

When video boxes are missing, write title on masking tape and stick on end for easier shopping.

Put your seller id# on a piece of masking tape inside all garments (each piece) so they will not be put in the lost and found if separated or tag is lost. (this is optional)

## Tagging Instructions Cont.

Loose items such as shoes and socks, as well as items or toys with more than one piece should be secured in Ziploc bags with index cards placed inside of the bag. **You can consign no more than 15 pairs of shoes.**

We accept sizes newborn to juniors. However, **we only accept 10 junior hanging items per consignor.**

### **Mandatory!**

To reduce check in time, have your items sorted by size and gender (rubber band or twist tie sizes together) and counted prior to drop-off.
